# **Top money making ideas (2009)**

In this recession, and people starting to sink in financial problems, they start to look for a risqué in the online money making ideas. However there are hundreds of good trusted and honest ways to make money online, but most of them require time and effort with little investment. They want some fast insured way to make money, they want to see the profits fast and then they may consider long term online business.

So here are some of the top money making ideas on the net today:

1. [Easy Forex](#), I love it and I love the money I am making with it. For most of you it's a 50/50 percent chance of making money, but if you join Forex and then use the [Forex Robot Fap Turbo](#) you can easily make between \$400 to \$2000 with \$200 investment.

I started with \$200 and now I am investing more than \$1000 monthly with great profits, I still love the excitement of trading directly from forx platform, but to recommend a safe way to make money I suggest working with the robot.

Go to [easy forex and open an account](#)

Go [download the robot from here](#)

Learn how to use the robot effectively, if you have any questions contact the support and they will answer your questions.

Have fun

2. [Maverick Money Makers](#)

The best stand alone money making club join and start learning about how easy you can start making up to \$100 a day. The information inside is confidential and we cannot show you any example of the strategies and techniques they teach. It's highly recommended and we can put our reputation to it (only if you are serious, and want to make money online fast).

3. Start your [health store](#) and promote it fast with PPC advertising. It is a known fact that health is the number one selling products online, and it will stay that way for long time. And even with the worst economy, people care more about their own health and are willing to spend money buying helpful and recommended products. The leading health products on the net are provided by [Herbal Biz](#), and you can have your own affiliate store with them. But because they have thousands of affiliate stores distributed online you need to effectively and fast promote your store that's why we recommend PPC.

Here is a [short free report about PPC](#)

And here is a [very recommended course](#) that will teach you almost everything about how to use PPC effectively and with low budget, with some tricks and strategies to get the maximum from your campaigns.
